Match these and write their numbers below in the boxes.

The maze connects the children to the items as follows:

- Child 'a' (girl with glasses) connects to item '1' (jelly beans).
- Child 'b' (boy with cap) connects to item '2' (muffin).
- Child 'c' (girl with pigtails) connects to item '3' (roll).
- Child 'd' (boy) connects to item '4' (cupcake).

Below the maze are four empty boxes for writing the numbers:
