A: Visual arts - Famous art forms

There are various types of art forms throughout the world such as Warli painting, Collage, Cubism, Kalamkari, etc. Today we will learn how to make a collage. Collage is a technique of visual arts that assembles different parts to form a new whole by pasting them together. Below is an example of a collage with an exercise to complete on your own. Collect colorful parts of a newspaper or magazine and glue them on the second picture to make it look complete and beautiful.
