# Alphabet Practice D is Magical Free Printable Worksheet

**D d Dolphin**

□ □ □ □ □ □ □ □

Shadow match

Restore dash lines

ALPHABET

The central content area contains several educational activities. At the top left is a large blue dolphin jumping. To its right are the letters 'D' and 'd' with numbered arrows showing stroke order (1: vertical down, 2: curved top). Below the letters are two rows of tracing lines: the first row contains five dashed uppercase 'D's, and the second row contains five dashed lowercase 'd's. Below the tracing lines are two activity boxes. The 'Shadow match' box shows three small dolphins in different colors (purple, grey, blue) and three black silhouettes of dolphins. The 'Restore dash lines' box shows a dolphin with a dashed outline and a dashed line forming a path around it. On the right side of the page, there is a vertical bar with the word 'ALPHABET' written vertically.
