DIY - Design Birthday Cake Topper

Let's be creative and design birthday cake topper at home.

Design a birthday cake topper at home for your upcoming birthday party. Follow the steps as shown below.

Take colored paper and cut it into desired shapes. Write happy birthday, by including one letter in each cut shape.

Take a thread and glue these cuttings on it.

Take two tooth picks/ skewers and stick the banner on it. Your birthday cake topper is ready.

SomeIdeas for your creation:
1.Bake cake at home and create your own birthday cake topper.
