Make A Dog Face

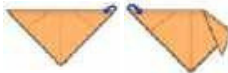

Some friends were interested in craft work. Do you like to make something interesting on your own? Cut square along the dotted line, colour and fold to make the face of a dog along with them. The instructions are given below.

1. Fold a square piece of paper in half.

2. Make creases at the center and at the sides.

3. Fold along the right dotted line and repeat for the left side.

4. Fold the lower tip up.

5. Draw the eye and mouth outlines

6. Fill them up in black. Dog face is ready!
