Date: .....

# Crossword

Read the clues given below about expressions and fill the blocks in the given number and direction.

Across

- 1 What does your nose do?
- 2 What do you use to taste?
- 3 What does your face look like when you are angry?
- 4 What helps in sensing touch?

Down

- 2 What rolls down your cheeks when you cry?
- 5 What do you show when you laugh out loud?

The crossword puzzle grid is contained within a green dashed border. It consists of several interconnected rectangular blocks of empty cells. The starting points for the clues are marked with green numbers: '1' is at the top-left corner of a 1x5 horizontal block; '2' is at the top-left corner of a 1x6 horizontal block; '3' is at the top-left corner of a 1x5 horizontal block; '4' is at the top-left corner of a 1x4 horizontal block; and '5' is at the top-left corner of a 1x2 vertical block.
