Animals : hand puppet

Cut out the sheet around the dotted lines and stick it on a thick sheet of paper or card stock. You can reuse old invitations or calendar pages for this. Cut out the animal.

Fold inwards along dotted line 1. Then outwards on dotted lines 2. Stick the 2 thin strips behind the sheet at positions A and B horizontally. Hold the puppet at the fold made by line 2 and 3 by putting your hand in between the unstuck strips. Move your puppet and enjoy!

Straps for your hand
