Israel: Geography

The geographic location of Israel is very diverse. It has desert in the south, snow clouded mountains in the north, Mediterranean Sea in the west and in the east is bordered by Jordan and West Bank. Also to the southwest there is Egypt and there is a small coastline on the Red sea in the south. An outline of Israel is given below. Mark the places correctly with the help of the hints given at the bottom of the sheet.

Gaza Strip	Mediterranean Sea	Egypt
Tel Yavne	West Bank	Syria
Lebanon	Jerusalem	Nazareth
