Stones: Ladybug

Do you have any smooth round stone? Let's paint a ladybug on it. If you do not have a stone you can use the template given below instead. You can use acrylic paint, fabric paint or even a permanent marker. Request your parents for supervision. Use the painted rock to decorate your potted plants.

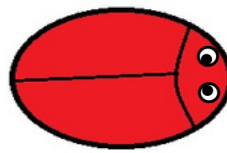

Instructions:

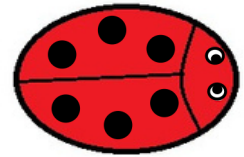

Wash and clean your pebble.

Paint it red using acrylic colours.

Using a marker, draw the details

Add big black circles and voila!
