### Identify The Correct Bird Name

Mini's mother has said the letter. Other family members are saying the names of different birds. Can you help Mini tell who is right? Tick (✓) the picture of such person.

The image contains six faces arranged in a 3x2 grid. Each face has a speech bubble above it. The faces are: 1. A face with a square mouth and a triangle nose, with a speech bubble containing the letter 'g'. 2. A face with glasses and a bun, with a speech bubble containing a drawing of a pigeon. 3. A face with a square mouth and a triangle nose, with a speech bubble containing a drawing of a goose. 4. A face with glasses and a pointed hat, with a speech bubble containing a drawing of a parrot. 5. A face with a round mouth and a bun, with a speech bubble containing a drawing of a duck. 6. A face with a round mouth and a pointed hat, with a speech bubble containing a question mark.
